## SERVICES

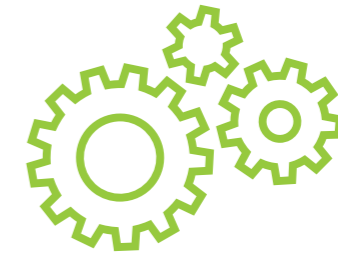

### DESIGN

We have a full design team ready to help you.

### PROJECT MANAGEMENT

In-house project management team work closely with all manufacturing departments.

### MANUFACTURE

We manufacture almost all aspects of the projects in-house. This includes materials such as steel, timber and plastic.

### DELIVERY & INSTALL

Our experienced installation teams will complete the finalised project worldwide.

### FIT-OUTS & CONSTRUCTION

Our specialist teams' combined fit-out skills cover all industries - so we can deliver solutions across a broad range of sectors.

### POS DISPLAYS & SIGNAGE

We manufacture bespoke POS displays and signage upon design approval. These include acrylic displays, modular fixtures, shop fronts and backlit signage.
